**Programa de Diploma del IB – Exámenes MOCK**

Monterrico, 3 de agosto de 2026

Estimados padres y madres de familias de 12.º:

Esperamos que se encuentren bien. Les compartimos información referente al proceso de realización de los exámenes Mock del Programa del Diploma IB 2026.

Durante el año se realizarán dos periodos de exámenes Mock. El primero se llevará a cabo del **10 al 14 de agosto**, distribuyéndose las fechas entre las distintas asignaturas del Programa del Diploma.

Esos días los estudiantes deberán asistir únicamente en horarios indicados en el calendario adjunto para rendir las evaluaciones correspondientes a las asignaturas que cursan. El ingreso se mantendrá a las 8:00 a. m. y los horarios de salida variarán según la duración de los exámenes programados para cada jornada.

Estas evaluaciones se desarrollarán bajo condiciones similares a las de los exámenes oficiales del Bachillerato Internacional, respetando los tiempos establecidos, las normas de conducta académica y el uso exclusivo de los materiales autorizados para cada asignatura. El objetivo es que los estudiantes se familiaricen con el formato de evaluación externa y puedan identificar sus fortalezas y oportunidades de mejora antes de las pruebas oficiales.

Los exámenes Mock serán calificados por los docentes de cada asignatura y sus resultados servirán como una herramienta de diagnóstico para orientar el trabajo académico durante los meses previos a las evaluaciones finales. La nota predictiva es una estimación interna, objetiva y basada en evidencias sobre la calificación final que probablemente obtendrá un estudiante en los exámenes del IB.

Les agradecemos su apoyo para garantizar la asistencia, puntualidad y adecuada preparación de los estudiantes durante este proceso.

Atentamente,

Gira Meneses García  
Coordinadora del PD del IB  
Tutora de 12.º

**NOTICE 12 /170/2026**  
**IB Diploma Programme Mock Examinations**

Monterrico, August 3<sup>rd</sup>, 2026

Dear Parents of Grade 12<sup>th</sup> Students,

We hope you are doing well. We are writing to share information regarding the 2026 International Baccalaureate (IB) Diploma Programme Mock Examinations.

There will be two Mock Examination periods during the academic year. The first will take place from **August 10<sup>th</sup> to 14<sup>th</sup>**, with examinations scheduled on different dates according to each Diploma Programme subject.

On these days, students are required to attend school only at the times indicated in the attached examination schedule in order to sit the assessments for the subjects they are taking. The school day will begin at **8:00 a.m.**, while dismissal times will vary depending on the duration of the examinations scheduled for each day.

These examinations will be conducted under conditions that closely resemble the official International Baccalaureate examinations, following the established time limits, academic integrity regulations, and the exclusive use of the materials authorized for each subject. Their purpose is to help students become familiar with the format of the external assessments and identify their strengths as well as areas for improvement before the official examinations.

The Mock Examinations will be marked by the teachers of each subject. The results will serve as a diagnostic tool to guide students' academic preparation during the months leading up to the final examinations. The predicted grade is an internal, objective, evidence-based estimate of the final grade a student is likely to achieve in their IB examinations.

We greatly appreciate your support in ensuring students' attendance, punctuality, and appropriate preparation throughout this process.

Sincerely,

Gira Meneses García  
IB Diploma Programme Coordinator  
Grade 12 Homeroom Teacher
